

ENTERPRISE

## Mule Days

### Enterprise Tour Update

As of the last week of February we have 15 rooms reserved at the Ponderosa Motel, 541-426-3186. Don & Deana are the motel owners. I talked with them because they had confused some of our folks with the Cascade RG Early V-8'ers who are staying there June 11-12. (Too many V-8 clubs going to Enterprise I guess.) Anyway, after Don read the names of those who had reserved both in June and September I think they have all of us reserved in

September. If anyone is concerned about your reservation you can call them and be sure you are on for September 10 and 11. Be sure and tell them you are the Spokane V-8 Club.

Don also mentioned they only have 3 or 4 more rooms available for both days. If you call and they are full, ask for phone numbers for the other motels in Enterprise. I know of two. One is a Best Western on the west side of town. It is not as handy to things as the Ponderosa – drive rather than walk to things, etc. The other motel I have seen is in town but doesn't look quite as nice as the Ponderosa.

Deana also gave me contacts for two RV parks. Log House RV is on Hwy 3 on the north edge of town and near the fairgrounds, 541-426-4027. Mountain View Motel & RV is between Enterprise and Joseph, 541-432-2982.

Please call me if you have any questions or encounter any more confusion regarding the tour. I looked at the [hellscanyonmuledays.com](http://hellscanyonmuledays.com) website and noticed their schedule of events carries the dates of Sept 11, 12, 13, 2009. The heading has the 2010 date. I'm not sure if they forgot to change a date or if they don't have any schedule changes. I will try to get in touch with someone there and get more information. Look for a future update in the newsletter and on the club website.
