

"Don't find fault, find a remedy." - Henry Ford

Dear V8ers,

Thank you for the good turn out for our Valentines dinner. I think everyone had a good meal and enjoyed it.

I received a lot of good suggestions. Some will go to the BOD for consideration or best way to handle them. Christmas party ideas will go to a committee and we'll do our best to make it a fun and good party. Thank you all so much. Keep them coming, as this is the best way to have the whole club in control and not just a few.

We'll have swap meet sign up sheets at the next meeting. Please make plans to sign up.

I'll also have a sign up sheet for my tour to Cataldo scheduled for May 19th. They have done a really good job on their museum and the Old Mission. It is the oldest standing wood structure in the state of Idaho. Pat Shea has a really good menu planned for us. I hope a lot of you will attend. New cars are welcome, but would love to see the old ones out on the road. Pavement all the way. Praying for good weather, but if not, Langstaff's have a lot of good cover.

Have a good and healthy month. Think spring so we can get out.

Hope to see you all next month!

The Story of My '36 Roadster By Don Audel (Part I)

This 36 roadster went through a bad garage fire along with five other cars in Dick & Sharon Colby's garage. Dick sold it to Roger Domini. He gave up on it and gave it to John Bozo, my son-in-law. He gave up on it and couldn't sell it.

So, stupid me decided to buy it, since my son-in-law had acquired a title for it. Found out later he had lost it!

Well here is the photo story of my last eight years.

Story continued on page 5 of this newsletter.

Part 2 of this story will be published in the March newsletter.

EARLY FORD V-8 REGIONAL GROUP #23 GENERAL MEETING MINUTES, FEBRUARY 11, 2018

Meeting was brought to order by President B.J. Glander at 6:05 pm at the Senior Center in Post Falls, ID. The Pledge of Allegiance was led by BJ.

Al Holm said a prayer before the Valentines' Day dinner. Thank you to the cooks and the staff for cooking and serving this meal.

Officers in attendance: B.J. Glander, president; Chuck McVey, vice president; JoAnn Davis, treasurer; and Caren Easterly, secretary.

Guests: There were no guests.

Minutes from the January 7, 2018 meeting: A motion to accept the minutes was made by Annette Long and seconded by Glen Nickerson. Motion passed.

Treasurer's Report: given by Treasurer JoAnn Davis. Motion to accept the report was made by Norma Skidmore and seconded by Gail Whitman. Motion passed.

COMMITTEES:

Tours: Chuck McVey:

- He is still working on a tour to Ritzville, but nothing is going on there until Memorial Day. He may plan to go May 5th. We would just tour the downtown. We could also go to the Railroad Museum in Reardon. Lunch will be on your own.
- B.J. said that the Presidents Tour to Cataldo Mission will be on May 19th. We will meet at the gas station on Sherman Avenue at exit 15. After the tour we have been invited to Jim & Carol Langstaff's home for a lunch catered by Pat Shea. Everyone will pay for his or her own lunch. We will spend the afternoon visiting.
- Meet with Butch Glander after the meeting if you are interested in the Montana tour in August.

Badges: See Ken Nordquist if you need a badge,

Bereavement: Judy Little—Judy is not home yet. BJ passed on that Carol Black's mother has passed away. They want to thank everyone for the cards, letters and condolences. There were so many that they are not able to respond to everyone individually.

Charitable Giving: Carolyn Fries—The club donated \$100 towards a basket for the INCCC Show No Shine. Grace Little will put the basket together.

Christmas Party: Thanks to Norma Skidmore for coordinating last year's party. The party this year will be at the Senior Center in Post Falls on December 2nd. There are slips of paper on each table. Write down any suggestions that you have for the party. There may be a couple of committees to handle different areas of the party.

Club Sales: We still need someone to handle this position.

Golden Membership: Jackie Feldmiller and JoAnn Davis are working on this. We have 15 Golden members at this time.

INCCC Report: Bill Schweiter—INCCC scholarship forms are now available. Talk to Bill if you would like one.

The Show No Shine will be on February 24th. There are still some spots available to fill our tables.

The INCCC Calendar of Events will not be available until March this year.

Newsletter: Becky Swenson—Please send her anything you may have for the newsletter, especially technical articles.

Nominating Committee: Judy Little (not present)—We will need a new secretary and vice president this year. Please consider volunteering.

Property Accountability: Jackie Feldmiller—If you give club property to others, please, let Jackie know so she can keep the inventory up to date.

Roster: Gary Davis—The new roster will be published next month. Email Gary and let him know if you have any changes in your information. B.J. read a list of members who still need to pay their dues. Dues must be paid to be included in the roster.

Sunshine: Flowers were sent to Edna Tefft. Cards were sent to Harold Black and Vonnie Satchwell.

Ladies Luncheon: Vonnie Satchwell—The next luncheon will be on February 21st at Barlow's in Liberty Lake at 11:30 am. Spokane ladies can meet at TJ Maxx at 10:45 to car pool. Please RSVP to Vonnie if you plan to go.

Swap Meet: Bob Long—Things are moving along well. At the last Board of Directors meeting the subject of free swap meet spaces for members was discussed. Bob felt that this should be a club decision. He feels that members who volunteer should get 1 free space. B.J. said that there are three options we can look at: (1) No free spaces for members. (2) Members who volunteer get 1 free space. They would pay for additional spaces. (3) Leave things as they are now; all members are entitled to one free space. She asked for a show of hands as to which option members liked best. Most members agreed that each member should work at least one shift to qualify for a free space and pay for additional spaces. If you have mobility issues, carts will be available to take you to your spot to work. There are many volunteer positions where you can sit during your shift. Currently, we are giving about 17 free spaces at \$60 - \$80 per space. The fairgrounds has raised their prices almost \$5000 this year. We need members to volunteer so we don't have to hire as many T's & A's.

FEBRUARY GENERAL MEETING MINUTES cont...

Norma Skidmore said that we only need two people at a gate, not three or four like last year.

OLD BUSINESS:

It was decided at the Board of Directors meeting that we will not have the Senior Center provide a meal before meetings. It causes too much confusion. Meetings will start at 5:00 pm as in the past.

NEW BUSINESS:

Answers to suggestions from last meeting:

- Have a family picnic at a park centrally located where we can just get together and visit. Bring kids and any family members. Gail Whitman is working on this.
- Have smaller bottles of water at the swap meet; there is too much waste. Also, have cold water available to everyone working the gates through Sunday. B.J. said she will have cold water at the purple gate. Call her and she will get it to you.
- Happy Birthday to Al Hugill who turned 88 today!!
- Sadly, John Amicarella has passed away. He has several vehicles for sale. You can contact Mack Cain or his son Jerry to find out about these.
- Dale Walker has truck parts to give away.

The next general membership meeting is March 4, 2018 at 5:00 pm at the Senior Center in Post Falls.

The next Board of Directors meeting is March 15, 2018 at 7:00 pm at the home of Butch & B.J. Glander.

Convertible Campout

By Keith Yates, Tigard, Oregon

OUR August 30, 1948 wedding, in Opportunity, Washington, was perfect, except for one thing: My brothers had hidden my belt, so I had to fight to keep my pants up during the ceremony.

My bride, Dolores Hensel, had never camped before and insisted on bringing a small mattress on our honeymoon trip, hoping it would fit in the pup tent we had borrowed.

The day before the wedding, we stuffed my 1936 Ford convertible with our clothes, blankets, food, camp stove, lantern, tent and mattress—while hiding the car in a friend's garage.

After the wedding reception, we changed clothes at the church and sneaked out the back door where Jerry Snow, our best man, and his girlfriend, Betty Krogness, were waiting in Jerry's car. We ditched all followers, got our own car and started on our honeymoon.

We stayed in a motel the first night, then spent 2 days in a cabin in Montana's Glacier National Park. From there, we drove to a lakeside campground. By the time we stuffed that blasted mattress into the pup tent, there was no room to sit up. Dolores learned how to dress and undress in a prone position.

The next day, we drove to Yellowstone, then repacked our car so we could finally put the top down.

NEWLYWEDS

Keith and Dolores Yates honeymooned in their '36 Ford convertible, which Dolores is standing next to, above.

With the car now topless, the mountains were spectacular.

By the time we reached the outskirts of Butte, it was dark. We were nearly broke by then and couldn't afford a motel, so I turned off the highway onto what appeared to be a country lane.

We pulled off to the side and parked for the night. It was quiet, and the stars above us were beautiful. We both slept like logs...until we woke in the morning to the sound of giggling. Sitting up, we found we

...we woke in the morning to the sound of giggling.

had parked for the night right in front of a house, whose occupants were now looking out their windows, pointing and laughing.

I quickly slid over the seat in my bright honeymoon jammies and drove to a deserted place down the lane where we could get dressed. That day, we drove back home to Washington with our top still down.

Now, after more than 60 years of marriage, we still laugh about our "topless" honeymoon!

REMINISC 15

A THOUGHT TO REMEMBER: If we cannot find contentment in ourselves, it is useless to seek it elsewhere.

Dear V8 Club Members,

Thank you for all the lovely sympathy cards and prayers sent for Grandma. We very much appreciate them. We recently got home from California. Our kids and grandkids gave Grandma a beautiful send off. She is now at peace on a gorgeous hillside overlooking the Pacific Ocean, next to her wonderful husband of 63 years and with the Lord for eternity. We had a lovely, but small gathering of twelve people (the only ones of her friends and relatives that are still living in California). It was unconventional; showed a movie of her life and Glory Days, told Grandma remembrance stories, and played ukulele music. The funeral director complimented us on having a laid back fun time. Her life was celebrated. It was just like she would have wanted it to be. She will be deeply missed, but never forgotten.

Sincerely, Carol & Harold Black

EARLY FORD V-8 REGIONAL GROUP #23 BOARD OF DIRECTORS MINUTES, JANUARY 18, 2018

The meeting was brought to order by president, B.J. Glander at 7:05 p.m. at the Glander's home, Spokane Valley, WA.

Board of Directors in attendance: B.J. Glander, Caren Easterly, JoAnn Davis, Annette Long, Norma Skidmore, Don Leidel, Tom Dailey, Bob Long, Dale Furnish, Gail Whitman, and Chris Hughes.

Active members in attendance: Larry Easterly, Alice Daily and Gary Davis

Motion to approve the Board of Directors minutes from November 16, 2017 was made by Gail Whitman and seconded by Annette Long. Motion passed.

Treasurer's Report: JoAnn Davis—is working with Jillian Robison on tax preparation. A motion to accept the treasurer's report was made by Dale Furnish and seconded by Annette Long. Motion passed.

Review of any General Meeting dates that may be changed: All general meetings will be on the first Sunday of each month with these exceptions: February will move to the 11th because of a Super Bowl conflict. April will move to the 8th because of Easter, September will move to the 9th because of Labor Day and December will be the Christmas Party

The February 11th meeting will be a dinner at the Post Falls Senior Center. Dinner at 5:00 pm and meeting at 6:00 pm. It will cost \$10 per person; pay at the door. Gail Whitman will purchase a sheet cake for dessert.

The Senior Center also offered to have meals for us before the meetings. We would have to guarantee a certain number of people eating. Annette Long made a motion that we do not have the dinners before the meetings and Gail Whitman seconded. Motion passed. The meetings will continue to start at 5:00 pm.

Review and discuss BOD meetings and location: Board of Director meetings will be on Thursdays: January 18th, March 15th, May 17th (?), June 21st, August 16th, September 20th (?) and November 15th. The dates with question marks will hopefully not be needed and be eliminated.

OLD BUSINESS:

COMMITTEE REPORTS:

Tours-Chuck McVey: Was absent

Swap Meet: Bob Long—The fairgrounds contract has been received. We need to compare last year's estimated cost to this year's estimated cost to see if the cost is the same. Bob will talk to the fairgrounds to get a better idea of the cost.

Other Thoughts:

- We need to get information out better with better promotion and advertising. Jeannie Davis is willing to give some ideas on marketing. Chris Hughes said he would help and it was suggested to ask John Clarizio to help also.
- There will be a booklet of rules and regulations at each gate and on the carts. Also, lists of phone numbers. It was also suggested to have the number for the taxis at the gates.
- There will be two people instead of 3 at each gate except maybe the purple gate.

- We need a couple more stamps so we have one at the yellow and green gates.
- The blue gate will be manned on Saturday only from about 10:00 am - 3:00 pm.
- The swap meet layout map has been adjusted. There will be an expanded 'cars for sale' area and some areas have been eliminated. This will make the swap meet more compact.
- We need to have more help for Kelli Pemble on the food cart (if she is doing it this year). We need volunteers to sign up... men can drive the cart also! Also may need help loading it.
- There will be sign-up sheets for the gates at the March meeting. One idea was to sign-up with a buddy so you will know whom you are working with. By starting earlier, we hope to fill up the sign-up sheets and not have to hire so many T's & A's.
- It was suggested to buy small bottles of water. It seems like a lot is wasted.
- B.J. suggested that it would be nice to have new "staff" shirts and also shirts to sell to the public. Annette Long & Chris Hughes are both looking into places they could be ordered.
- Gail Whitman volunteered to again plug in the coffee pots early in the morning in the food room.
- This year the Model A's will not get free spots. The Model T's will have one free spot and two that they will pay for.
- After much discussion, Annette Long made a motion that the Board recommends no free spots for members; Norma Skidmore seconded. Motion passed. It will be brought up for a vote at the March general meeting.
- V8 National provides insurance for the swap meet, we just need to make an application. Bob will talk to Chuck McVey about doing this again this year.

Christmas Party: JoAnn Davis has reserved the Senior Center in Post Falls for the 2018 Christmas Party for December 1st. We will check out the food at the February dinner. B.J. will again put out slips of paper at the February meeting for anyone to give ideas or suggestions for the party.

Montana Tour: Dailey's received an email from Jerry Herber wanting to know if our club was interested in joining in this. The date is August 26-31. Chuck McVey had talked about this at the last meeting and there will probably more discussion at the February meeting.

The next General meeting is February 11 at the Post Falls Senior Center. Valentine dinner at 5:00 pm and meeting at 6:00.

The next Board of Directors meeting will be March 15, 2018 at B.J. Glander's home at 7:00 pm.

Annette Long made a motion to adjourn the meeting, Gail Whitman seconded. Motion passed.

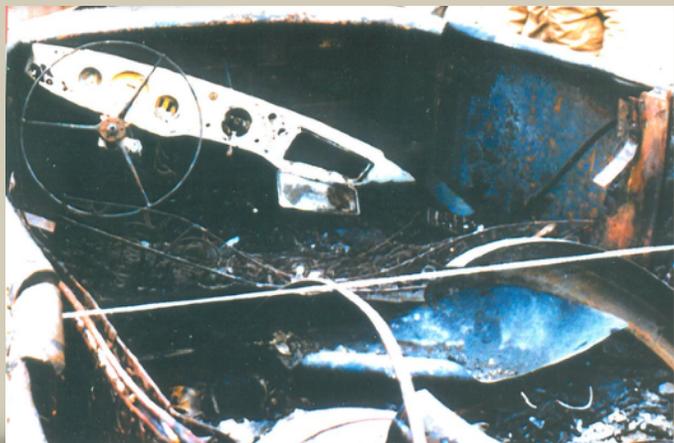

Meeting was adjourned at about 9:20 pm.

Respectfully submitted by,

Caren Easterly, Secretary

HENRY FORD AND UNIONS

The Model A proved to be a relative disappointment, and was outsold by both Chevrolet (made by General Motors) and Plymouth (made by Chrysler); it was discontinued in 1931. In 1932, Ford introduced the first V-8 engine, but by 1936 the company had dropped to number three in sales in the automotive industry. Despite his progressive policies regarding the minimum wage, Ford waged a long battle against unionization of labor, refusing to come to terms with the United Automobile Workers (UAW) even after his competitors did so. In 1937, Ford security staff clashed with UAW organizers in the so-called "Battle of the Overpass," at the Rouge plant, after which the National Labor Relations Board ordered Ford to stop interfering with union organization. Ford Motor Company signed its first contract with UAW in 1941, but not before Henry Ford considered shutting down the company to avoid it.

**Early Ford V-8 Club of America 2018 Face-to-Face Meeting
Dearborn Michigan: February 2018, Submitted by Joe Reger**

GRAND NATIONAL MEET- Scheduled for June 11-15 in Dearborn- Directors and Board members have been working diligently hard to ensure that the meet will be successful. As of 2/11/2018, 1,049 Rooms have been rented which is 89% of our commitment. Overall, registrations are light. Railer parking has been arranged, as well as a multitude of tours and activities. Please, if you have not yet registered, do so as that will help us with the planning. Remember, this is where it all started for Henry Ford and the gigantic business that he created.

Membership- is once again down. We are at 8,144 as of the date of the meet. That's down from 8,314 at the beginning of 2017. Please make an effort to recruit new members from your community

National Driving Tours- there are 3 scheduled for 2018. Pennsylvania Dutch on May 21-25, starting in Myerstown PA. Next, Big Sky Montana Tour, starting in Billings, August 26-September 1. There are 31 responses thus far, better than expected. Sounds like a great tour. Lots of interesting locations on the agenda. Mining towns, Glacier, Going to the Sun Hwy, to name a few. If you are interested, consult the V8 Times for contact, SOON! Tumbleweed RG in New Mexico is in the planning stages. October 2018. Watch the V8 TIMES for further info

Financial position- Although we continue to see declines in our Financial position, your club is Financially solid. Contributing to our declines, are membership, declining book Sales, reduction in V8 Times advertising by our Advertisers, increased legal fees on our lawsuit. Financial results will be published in May after our annual CPA Audit

Early Ford Foundation- Construction is moving along well. The Foundation continues to receive Ford Product vehicles as donations to them. You can view progress on the EFV8 website at www.fordv8foundation.org. In addition, there is being conducted a Raffle of a 2018 FORD F-150 Pickup, or \$40,000, and a few added prizes. Tickets are \$100.00, and only 1200 tickets will be sold!! Better odds of winning that the lottery, EH? Details are in the V8 TIMES

Technical Books- In process are 1940 Book, 1949-1951 Mercury. You can order books either thru the V8 TIMES, or we will have order forms at the Grand National Meet. We will have a limited supply of books there as well. A new Flathead Engine Book is completed and in for review

Club Anniversaries- Congratulations to the following Regional Clubs on their 2018 Anniversary: RG 120, Vancouver Fraser Valley V-8'ers. March 18, 2018 35 Years. Regional Group #57, Cascade Regional Group, celebrating 45 Years on June 10. Celebrating 50 Years is the Mid-Willamette Regional Group #9, on January 21, 2018 (Sorry I'm late all !), and last, but certainly not least, is the Columbia River Regional Group #10, also 50 Years, on June 2, 2018. Congratulations once again to all of you!! I will be mailing out the Certificates soon.

2019 National Meet- Only the Central meet is on the agenda in Auburn, IN scheduled for August 24-27, sponsored by Ohio RG #141

Insurance Program- 51 RG's are now covered, out of 123 active RG's I don't have a list of those Regionals that have taken advantage of the program, so I hope all of those in my District have done so.

- Gas tank cleaned & new gas line
- No body rust-thru
- Runs and drives
- New battery
- Recent tires
- Original 1936 license plate
- Skirts
- Heater & continental spare tire "bands" included + misc.
- Extra motor and transmission

Singer Sewing Manual ~ circa 1949

Advice for how to sew properly...

Prepare yourself mentally for sewing.
 Think about what you are going to do.
 Never approach sewing with a sigh or lackadaisically.
 Good results are difficult when indifference dominates.
 Never try to sew with a sink full of dirty dishes or beds unmade.

When there are urgent housekeeping chores, do these first
 so that your mind is free to enjoy your sewing.
 When you sew, make yourself as attractive as possible.
 Put on a clean dress.
 Keep a little bag of French chalk near your sewing machine
 to dust your fingers at intervals.
 Have your hair in order, powder and lipstick put on.
 If you are constantly fearful that a visitor might drop in or
 that your husband will come home, and you will not look
 neatly put together, you will not enjoy your sewing.

Choose to Live in Joy

Life goes by in the blink of an eye. It's too short to live upset, angry, resentful or ungrateful. If you look for the good, you'll find it. Choose to be happy, to be at peace. Decide that each day is going to be a great day and grab each moment and make the best of it. Refuse to let negative thoughts take root in your mind and refuse to let negative people and situations drag you down. Trust your journey and know that if you make a mistake, it's okay. See it as a lesson learned and keep moving forward. Spend less time worrying and more time being grateful for those who love you and all of life's goodness. Choose to live in Joy!

30-Minute Dinner Rolls

Ingredients

- 1 cup plus 2 tablespoons warm water
- 1/3 cup oil (may substitute butter)
- 2 tablespoons active dry yeast*
- 1/4 cup sugar
- 1/2 teaspoon salt
- 1 egg
- 3 1/2 cups flour (either bread flour or all-purpose will work)*

*Be sure yeast and flour are fresh

Directions

1. Preheat oven to 400 degrees.
2. In the bowl of your stand mixer, combine the warm water, oil, yeast, and sugar
3. Mix 2 cups of the flour, the salt, and the egg into the yeast mixture using dough hook.
4. Shape dough into 12 balls and place in 9X13 pan.
5. Bake for 10 minutes or until tops are just golden.
