

VOICE OF THE V8

A monthly newsletter of the Early Ford V-8 Club of the Inland Empire #23

NOVEMBER 2022

Dear Members,

We had a great turnout for our November meeting. Over 40 people, members and guests. The dinner was very good, same as last year, but only better. It was buffet style and there was plenty to eat.

My Falls Colors Tour—Mother Nature took good care of that. I had a nice tour lined up; stop in Murray Idaho, then over Thompson Pass to Minnie's Café for lunch, then to Planes and Rehbeins Ford dealer (there are some old cars in the show room). The owner invited the club to his home where he has more old Fords. I talked with him and we both agreed that next spring, when the snow is off Thompson Pass, will be a good time to go. He is looking forward to the club and the tour.

We voted in the club's new officers: vice president—Jack Guinnane, secretary—Tom Davis, treasurer—Gary Davis and myself as the club president again for 2023. I will be looking for new board members this year. I will start by asking the old members first to see if they want to stay or not. I do have one new member and that is Shirley Adams. She has done so much for the club, but has never been an officer or board member. I will have everything done by December so I can get it to National.

Looking forward to 2023 and what it will be like is all up to you as club members. What can we do to keep the members busy doing things? Picnics, tours, get togethers, short drives or anything a member would like to bring up at a meeting.

December is a non-meeting event. It's the club Christmas party. This year it will be at the CenterPlace Regional Event Center in the Fireside Room. It's in the Mirabeau Point Park complex. There will be a silent auction and the 50/50 drawing will be included. Please bring something for the silent auction. Hope to see you there.

The next club meeting will be on January 8th at Darcy's. The next board meeting will be on January 19th.

Happy Thanksgiving every one. Be safe and take good care of yourself and others. We still need the hand sanitizer, mask and Lysol.

Club President,
Chuck McVey
