JUNE 2021

Dear Members,

Our club meeting for June went very well. There were 42 members at Darcy's. Seems we are on track for the swap meet. June 1st, we met with Rachelle at the Fair and Expo Center. Seems everything has been approved. The gate sheets are almost filled. We have help setting up, but might need more hands to help. When I was telling members about Drive Your Old Ford Car, INCC Scholarship Car Show and the Dukes & Friend's Picnic, I gave the wrong date. The Scholarship Car Show and the Dukes & Friends Picnic are both on June 26th. Drive Your Old Ford Day is June 19th. The club can still do that if someone wants to come up with a place to go.

We have a new member, Shirley Adams' grandson, Travis Tupper. I asked the club if they had a problem with voting on him because of the COVID-19 and there being no way we can have a quorum, and my talking with National members, just go on as normal. He was voted into group #23.

I also ask the members if the club should give a scholarship to the INCCC. There was a motion to give a scholarship. It was seconded and passed.

The Early Ford Club has two more meetings at Darcy's; June 24th and June 27th. I talked with the owner and I was told that they are closing on Sundays. The reason is that she can't get help and her staff is working too much overtime. Until she can reopen, starting in September, the club needs to find a new place to meet.

The club treasurer had good news. We are ahead of 2019, but behind 2018. There is still time for more vendors and spaces to be sold. As I said before, we will have a big swap meet this year.

The club's July meeting is the 27th of this month due to the 4th of July and swap meet.

Until the club meeting June 27th, everyone stay safe. Wear a mask, stay six feet apart and have Lysol handy.

Your Club President,
Chuck McVey

GET READY

TO CELEBRATE

EARLY FORD V-8 REGIONAL GROUP #23 BOD MINUTES ♦ May 20, 2021

Meeting Called to order at Darcy's Restaurant at 6:35 p.m.

Members in attendance: Chuck McVey, Gary Davis, Annette Long, Don Leidel, John Clarizo, Dale Furnish, Norma Skidmore, BJ Glander.

Guests: Butch Glander, Wayne and Renee Shawgo.

Motion to accept old minutes: Norma Skidmore. Second by John Clarizo. Motion Passed.

Financial Report – Treasurer - Gary Davis – Read the report. We are ahead of 2019. 160 vendors, 300 spaces sold. Pay Pal has been a bit of a pain as it has directed people signing up for our swap meet to another website. We will have Becky put out a notice with Pay Pal information and will discontinue the online registrations on May 30th. Motion to accept: Dale Furnish. Second by Annette Long. Motion passed.

Old Business

Swap Meet:

- Don Leidel, Chuck McVey and Bob Long met with the fairgrounds personnel. They gave us a map with the capacity for attendance. Phase 2 was 25%, Phase 3 is 50% and Phase 4 is 75%. At this time, we don't need to space the vendors any differently. We just need to worry about attendance. We will need to monitor with clickers. We can have 1399 in there at a time.
- There will be another meeting on June 1st.
- Golf Carts: it was determined that Chuck McVey, Don Leidel and Dale Furnish will have a cart. Kelli Pemble will have one for refreshments, BJ Glander will have one for the taxi.
- Jackie, from the Model A Club, has the sign up sheet for the Purple Gate and Set Up. Shirley Adams has her gate filled. Dan Janssen has the Yellow Gate.
- Check with Chuck Little on advertising.
- We will need hand sanitizer and gloves. Hand Sanitizer will probably be at the gates. The admissions people will use the gloves. We will also have masks on hand.

Car Show: Larry & Caren said they would do it again this year. They won't be there but have people in place to be there for them.

We will have a BBQ at on Sunday at the Skidmore's as we have done in the last couple of years. John Clarizo made a motion to pay Norma \$500 for the BBQ (due to COVID restrictions not potlucks). 2nd by Annette Long. Motion Passed.

The question was asked who is monitoring the emails. Becky sometimes checks it. Dale volunteered to help monitor the emails.

Tours:

- August is the campout. The question was asked if the club should pay to have the Sunday meeting dinner catered. Annette Long made a motion for the club to cater. 2nd by Dale Furnish. Motion passed.
- Flag Days Parade. Trying to figure out where to go for lunch. Annette will check with Fredneck's in Rockford. So far 13 are signed up. May have about 20.

New Business: Mack Cain is looking into the situation we have on our Quorums at the general membership meeting. Right now, it says we need 50 people. Due to COVID we have not had 50 people at a meeting. We may need to adjust our bylaws.

Future meeting dates:

- June 6th General Membership meeting at Darcy's at 5:30.
- June 24th BOD meeting at 6 pm at Darcy's
- June 27th General Membership meeting at Darcy's at 5:30 (this is the July meeting due to the 4th week end).

Motion to Adjourn – Don Leidel. Second by Norma Skidmore. Meeting adjourned 7:53 pm.

Respectfully submitted,
Annette Long, Secretary

New Business:

Someone brought up the INCCC scholarship and that we usually give every year. Annette Long made a motion that we give a full scholarship to the INCCC scholarship fund. Motion 2nd by BJ Glander. Motion Passed.

There was also a question on our charitable giving for this year and it is too soon to tell how much we can give. We will wait to see how well the swap meet does. We will once again have barrels at the swap meet Entrance for the food donations to the food bank. Spokane Valley Partners will once again provide the barrels.

Chuck McVey also thanked Glen Nickerson for hosting us at his shop in Pinehurst on our way to Thompson Falls.

Old Business:

Swap Meet:

Sign-up sheets are up front. The Model A Club has agreed to help. The A club filled up the vacant spots at the Purple Gate.

We are in need of golf carts as Ott Nott has sold is no longer renting golf carts. Someone suggested checking with a golf course.

Chuck Little brought a sample of an ad he is going to run in the Nickel Nick and the Exchange. Gus Johnson Ford donated money to be in that ad. Motion Auto has donated money for the trophies. There will be no TV or radio ads this year.

Bob will work with the Fire Department and will meet with them for the inspection. Bob will also contact Spokane Valley Partners on the food barrel bins.

Dale will go to Costco as he has done in the past to help buy the refreshments for the club refreshment cart.

Renee Shawgo will do the admissions.

Larry & Caren Easterly are working on the car show but will not be able to be there this year. Greg Hicks is filling in for Larry and Jan Farnham is filling in for Caren. They also had sign-up sheets and requested judges for the car show. Also, need one more position in the booth to be filled. They will also need help

on Thursday putting the goody bags together and Greg Hicks will need some help getting them to the car show booth on Friday. Bob Long has the supplies for the layout.

Chuck McVey and Don Leidel met with the fairgrounds. As of now, we will be limiting attendance to 1399 people to be let in at a time. It sounds like this might not be a problem. We will also check into getting some counters to keep track. Hopefully, things will be more opened and we don't have to worry about this as much.

Other Club Business:

Fairfield Flag Day: June 12, 2021

Woke-up to rain the morning of Flag Day and thought it was going to be just one of the many days it rained on Flag Day. By the time I moved the car out of the garage, it was pretty nice.

Let me go back to the start of all this. John Clark called me wanting to know where the club banner was. I didn't have a clue. I ask Jackie Feldmiller, but she didn't know. Had Becky run it over the internet. John did find it. He asked me if I could take over the Flag Day Tour, sure why not. I have done a little bit of everything in the club. It was alright. Would I do it again? Sure, why not!

I met John at the URM store on Springfield and Hamilton. He said he didn't buy the right taffy and we went back and looked. I got 12 bags of taffy. The bags were solid colors. I got them home and mixed six bags at a time, put the taffy in baggies to make two bags per car. I took Frank (Shirley's friend) with me to 32nd & 27th a little after 7am. Members started showing up.

The first was Ken & Edith Dickson in their '36 Ford pickup, Butch & B.J. Glander in their '36 Ford fordor, Shirley & her Grandson, Travis Tupper, in their '35 Ford pickup, Roger Mitchell and his brother in their Ford

hardtop, Don & Brigitte Leidel in their '53 Mercury hardtop, Chuck & Judy Little in their '53 Sunliner and me in my '41 Ford coupe.

We got to Fairfield and up the hill to the staging field. We left room for the members that were meeting us there. Ron Little, his load of family in their '53 Ford Victoria, Jim & Lee Adams in their '49 Ford fordor, and Dave & Dawn Voelker (& granddaughter) in their '37 Ford club coupe.

When we first got to Fairfield, the place didn't have the pancake feed. Firemen had a couple boots out taking donations for donuts, coffee & drinks. Then we found out there would be no candy throwing. There was some complaining, and then about an hour later, we could throw candy, but were told not to let it land in the street.

Our club was the first to stage and to go down the hill. Lots of candy was given out. I still have one bag in the trunk of the '41 and I will get rid of that.

Just a short note on Fred Necks in Rockford. They have great food, good service, and they make their own chips. Ten of us ate there. The members that had children with them couldn't bring young ones in. Seems it's a state law. Travis had trouble with the '35. Battery was going dead. Thanks to Ken and Edith for going and looking for Frank. While he was there, he went in and gave blood. Half an hour later, they found him on the street. He did think he was going to thumb it home.

I want to thank Judy Little for all she did. Getting the candy to the cars, with the banner & flags. Also, thanks to Edith Dickson & Ron Little's daughter (Darla) for carrying the banner down the hill.

I didn't take many pictures, hope other members might have taken some.

Meal Train for Pat Shea

Pat belongs to our club and is a member of the Cheney Church of the Nazarene. He was diagnosed with ALS last July and now he has lost all of his mobility. It has become increasingly difficult for his wife, Julie, to manage his care and daily life. People have been wanting to help them, so his church organized a meal train where people can sign up online to take Pat and Julie a meal.

If you are willing and able to help, follow this link: <https://www.mealtrain.com/trains/lz31zd>. There will be sign up slots, and if you click on the yellow button that says "Review All Instructions" there are meal or restaurant ideas, and information on their dietary restrictions.

If you have any questions, you can email or call Brittany Hooper, Cheney Church of the Nazarene office manager, at cheneynaz@gmail.com or (509) 235-6261 ext. 2.

If life is a journey... I want to get there in a Ford!
