

*"Coming together is a beginning, staying together is progress, and working together is success."*

*-Henry Ford*

Dear V8ers,

Thank you for the good turn out for the July meetings. Also, for all o you that singed up to work at the swap meet. Your hard work is what makes this such a great club.

News from  
President  
B.J.  
Glander

John Clark did an excellent job on the Fairfield Parade and dinner. We had thirteen cars and Chuck McVey's pickup with the banner for Dale Halverson; it was very impressive. I think we all had a good time. I really like to help a small town like Fairfield.

We had three old cars meet at the Otis Grill for "Drive Your Old Ford Day." I hope we can make a bigger deal out of this next year. We went to Post Falls and then for ice cream. It was a nice easy day.

By the time this newsletter comes out, the swap meet will be a thing of the past. I'm sure it will be a great success!

I'm looking forward to the next meeting and campout at the Pend Orielle River. If you haven't signed up yet, please call me so that I can have an accurate count (208)946-6085.

Keep up your good spirits and lets have a lot more fun to come.

Til next time, keep those cars on the road.

Your Pres,  
B.J. Glander

## REGULAR MINUTES CONTINUED FROM PAGE 2...

### Swap Meet:

Bob Long will meet with the fire department this week and pick up the keys. Things are going good. We have had a few unexpected things happen including Mitch Silver not bringing his auction this year and Dale Furnish being unable to help this year. Dale helped with vendor move-in. Wayne Shawgo will be able to help with this in the morning. Bob had layouts of the fairgrounds laminated with emergency contact numbers in red on the back, as well as committee head members' numbers. It is important that if you come across an accident or someone injured, that you call the emergency contact and let them help them. They are trained on what to do. These laminated sheets will be at each station and in the carts. We are still in need of a few volunteers at the purple gate. Sales are down about \$1000 from this time last year. Bob has gotten all of the supplies for set-up on Thursday. Bob thanked everyone for their help and told everyone to have fun.

We will have the picnic again at Larry and Norma Skidmore's home on Sunday, the last day of the swap meet. Come around 3 p.m. and we will eat at 4 p.m.

Chuck Little is in charge of advertising. Advertising has been placed in the Spokane Exchange and the Nickel Nik.

Doug Asay and Chuck Little are in charge of set-up and ask that you come at 7 a.m. for set-up.

Kelly Pemble needs a few more volunteers to help her with the refreshment cart. Bob Long and Ken Dickson will help with picking up the drinks at Costco. The carts will be delivered on Wednesday. JoAnn Davis has two coffee pots and Kelly asked that she get them by Wednesday.

Larry and Caren Easterly reported that they are good to go. The trophies are ready and the tent and tables have been ordered. If you would like to help Caren put the goody

bags together, meet on Thursday, after set-up, behind the kitchen.

Norma Skidmore reported that we have one vendor from Canada. She has made up Notebooks for each gate with the workers working that gate at what time and the duties involved for that gate. She reminded workers working the purple gate admissions to staple the checks to the application and if they paid with cash, to write "cash" on their application.

Renee Shawgo reminded her workers that the start times are an hour earlier than last year. She has bought large calculators and made cheat sheets to help.

**OLD BUSINESS:** None

**NEW BUSINESS:**

John Clarizio brought a Vintage Truck magazine which was showcasing his Woodie in their current edition.

B.J. Glander reminded members to allow parking in front for the old cars so they can be parked together.

**Drawings:**

\* Old Car Drawing: Wally Graham

\* Membership Drawing: Dan Janssen

The next general meeting is August 4, 2019 at the Pend Oreille River.

The next Board of Directors meeting is August 8, 2019 at 7:00 p.m. at the home of B.J. Glander.

**Motion to Adjourn** was made by Wally Graham and seconded by Caren Easterly. Motion passed and the meeting was adjourned.

Respectfully submitted,  
Dawn Voelker, Secretary  
Early Ford V8 Club #23

## CHARITABLE GIVING

The generosity of the folks who contributed to our food bank fund at the swap meet on Sunday enabled our club to give \$504 to the Rathdrum Food Bank in Rathdrum, Idaho. This small food bank is grateful to receive these funds. Thank you to all who helped.

Carolyn Fries presenting a check for \$504 to Donna at the Rathdrum Food Bank

## A MESSAGE FROM DALE FURNISH

Hello to all,

First of all, thank you for your thoughts, prayers, cards and flowers.

Happy my back surgery is over with. Big hole in my left side and a nice slice up my lower back. Doctor said these type of surgeries are rated 1 thru 5, 5 being the toughest. Mine was a level 5. Fused L4 and L5 with a cage and four screws. Incision areas are very sore but pains in my back, leg, foot and ankle are gone and I can walk standing straight up. Well, sort of. Sciatic nerve seems to be happy now. Using a back brace and have a walker for security, if needed. Had to stay three days in the hospital because of the level 5 issues. Good to be home. I will have to go very slow and easy for a couple of months. No twisting, bending, or lifting. Real trick getting in and out of bed. Doctor said the glue is not cured and "dry" so no twisting. He said he used Gorilla Glue. The type that foams up....

Take care and have a good summer.

Thank you again,  
Dale

A BIG THANK YOU to BOB LONG for chairing the 2019 Swap Meet! We couldn't have done it without you. It takes a lot of time and organization to pull this off every year. Another big thank you to all those who helped with advertising, managing vendors, set up, gate duties, taxis, the drink cart, trouble shooting, managing money and the list goes on and on. To run the swap meet successfully takes a great leader and a lot of people willing to give freely of their time!

## EARLY FORD V-8 REGIONAL GROUP #23

### BOARD OF DIRECTORS MINUTES, JUNE 20, 2019

**The meeting was brought to order by President, B.J. Glander at 7:00 p.m.** at the Senior Center in Post Falls, Idaho.

**Board of Directors in attendance:** B.J. Glander, Dawn Voelker, Chris Hughes, John Clarizio, Don Leidel, Dale Furnish, Annette Long, Bob Long, Norma Skidmore, John Ellersick and Gail Whitman.

**Absent:** Jackie Feldmiller.

**Active members in attendance:** Larry Easterly, Caren Easterly, Butch Glander, Dan Janssen, Kitty Janssen, Patsy Furnish, Chuck Little, Judy Little, Renee Shawgo, Wayne Shawgo, Mack Cain, Gregory Hicks, Sue Hicks and Shirley Adams.

**Motion to approve the Board of Directors minutes from March 21, 2019** was made by Gail Whitman and seconded by Norma Skidmore. Motion passed.

**Treasurer's Report:** Jackie Feldmiller was absent.

**Committee Reports:**

**Tours:** Chris Hughes. No report.

John Clarizio reported on the Duke's and Friends Picnic this Saturday at Sontag Park in Nine Mile Falls, Washington. Come at 11 a.m. and bring your chairs. There will be music, games for the kids and food.

**Swap Meet:** Bob Long. The sign-up sheets have been sent to the Model-A Club and they have agreed to work 34 of the open spots. Bob will contact the Model-T Club this week to see if they could pick some more of the open spots. We still have spots open to work and all members are encouraged to do their part in volunteering their time to this club event. The north gate has been crossed off with volunteers. We will be letting the vendors come in that gate on Thursday. Dale Furnish said that we should lock the gate to prevent people from coming in that gate and not paying. Shirley Adams said that when the vendors come in that gate, they may want to go back out that gate and won't be able to if it is locked. The influx of vendors is not all at once, so it was agreed that we would lock the gate. Vendors will be able to come on Thursday from noon till 8:00 p.m. to set up. Bob will have a book of responsibilities geared to that gate at each gate. There will also be a laminated sheet detailing the fairgrounds with a list of contacts for emergencies, security and club swap meet heads. There will be more radios at each gate and on the golf carts. There were two people injured last year and it is important for us to know what to do. All emergencies should be handled by the security personnel at the fairgrounds since they are trained and know what to do in an emergency.

Chuck Little has made up a flyer to be printed in the Inlander and the Exchange. They will run two full page

ads and four half page ads. This will use up all of our money allotted for advertising and we will not run a television ad. Chuck noted that the new policy at the fairgrounds of parking fees at all of the lots will not apply to us since that fee was already built into our contract. Doug has moved to Colfax, but he will be here on the Thursday of set up.

Renee Shawgo has several new cashiers this year. Tickets will be \$8 for adults and children 11 & under will be free. She has bought calculators and made price charts for each cashier to use. Gail Whitman asked if vets would be able to get a discount if they came in their uniform. Annette Long stated that the Board had brought this up at an earlier meeting and voted no on the discount. Someone asked if we would be accepting \$100 bills and Renee said yes. Each cashier booth will have the laminated sheet listing all of the contacts and fairground map.

Norma Skidmore said that all vendor spaces were sold by date and if some vendors are upset with where their space is, they need to look at when they purchased it. Norma needs all schedules at the July meeting.

Dale Furnish will help Kelli Pemble with getting the drinks and ice from Costco, but won't be able to lift anything heavy. Chris Hughes has some soda left from the tours that can be used also. Kelli will get the donuts.

Larry Easterly needs three more volunteers for the Show and Shine. One for 9:00 a.m. on Saturday to take money. One at 6:00 a.m. and one at 9:30 a.m. to park cars.

Caren Easterly is good on volunteers for the Show and Shine registration. She has the trophies and dash plaques.

Larry Skidmore needs more taxi drivers. It was requested that when a taxi driver is requested, the taxi driver respond on the radio that they are on their way so all of the taxi drivers don't show up. Anyone driving a golf cart is encouraged to help drive anyone in need of a ride. We are there to help people. Gail Whitman will be available to cart workers to their posts.

Spokane Valley Partners will deliver the barrels for the food drive on Sunday and pick them up. Last year we had about 800 lbs. of food donated. Gail Whitman suggested that when telling people about the food drive on Sunday to say "bring non-perishable food items" instead of "a can of food." The charity receiving the money donated will be decided by the charity committee.

Mack Cain said that the members working the gates need to know their responsibilities. Last year he observed members chatting with their backs turned as people walked in, not knowing if they paid or not. Bob Long said that he will stress the duties at the July meeting.

The table at the south gate should have a sign on it saying "admission".

**BOD MINUTES CONTINUED FROM PAGE 6...**

All club members should wear their badges while working the swap meet. If you have an orange shirt, wear it on Saturday.

Anyone who works the swap meet is welcome to come to the picnic on Sunday, the last day of the swap meet. That includes the Model T's and the Model A's.

**Old Business:** None

**New Business:** B.J. Glander received a certificate from the National Early Ford V8 Club in honor of our 50<sup>th</sup>

anniversary. Do we want to celebrate this honor at our Christmas Party?

**The Next Board of Directors meeting will be** in August. At that time, the swap meet will be evaluated as to participation and where to go with it next.

**A motion to adjourn the meeting was made by** Kitty Janssen and seconded by Wayne Shawgo. Motion passed.

Respectfully submitted,  
Dawn Voelker, Secretary  
Early Ford V8 Club #23

## Dale Halverson's Memorial

By Chuck McVey

Dale had a lot of friends. Not only the Early Ford V/8 members, but friends from childhood to his adult life. He was well received for those who spoke of him.

There were over 20 old cars and over two hundred people—both family and friends.

Judy Little asked for salads and got more than enough. Many meat and cheese trays too. Let me just say that members stepped up when ask to bring stuff for the buffet.

As for old cars, we had both Early Ford V/8 Club cars and Dukes Club cars. A few cars that didn't belong to any club at all.

Let me just say, that it was a great way to say goodbye to a wonderful father, grandfather, and friend. To know that he was liked and loved by so many people, one couldn't ask for much more.

Pictures are some of the cars in in attendance, including Dales '33 Tudor and Bob's three wheeler. The rest of the cars are in the front rows, both sides of the driveway.
