Car Show
July 8, 2017

All club members should volunteer for at least one swap meet duty (set up, gates, car show, etc.). If you have not yet volunteered for something, please call Rick Thompson to see what is still available.

If something comes up and you are not able to fulfill your swap meet duty, please try your very best to find a replacement and let the gate chairman know asap.

Again this year, we will wrap up the swap meet with a pizza party for all workers on Sunday, July 9th. The party is for those who have actually worked the swap meet and not for anyone else. If members have family or friends who they would like to attend, they need to pay for them separately. Lynn Lang will keep track of workers for the party. Be sure to check in as you see her in the beverage cart.

COMMITTEE REPORTS:

Swap Meet--Rick Thompson:

- There has been a couple of big cancellations but we are about where we were this time last year. On Wednesday he will pick up the keys to the fair grounds. Rick asked who had the club ice chests as they are planning to be at the fairgrounds on Wednesday before the swap meet to get setup. JoAnn Davis said she would talk to him about this after the meeting.
- The Blue Gate, back by the campground, will be monitored by the fairground security this year. They will only let in club members and Model T & A members. You will be able to park back there.
- On Sunday as vendors are leaving, ask them to please pick up all of their stuff; do not leave leftover items.
- Walda Cameron announced that on Friday evening there will be a potluck hot dog roast at the campground starting about 5:00 PM. There will be hot dogs, buns and all the fixings; please bring a side dish to share. There will be a $1 charge per person to pay for the hot dogs and buns. Those with later shifts can come and eat any time. Bring your own beverages.
- There will be two baseball games on Friday and Saturday nights that weekend.
- Setup-- Doug Assay: They will start setup at 7:30 am on Thursday. Please be there at 7:30. There will be 8 teams and 6 team leaders. They will need a lot of help. Vendors can start setting up about noon after setup is complete. The gates will be open until 8:00 PM.
- Caren Easterly said that she will need help stuffing goody bags after the setup. Meet in the room behind the kitchen. Hopefully start at 10 or 10:30.
- There will be seven carts this year. Two will be six passenger taxi's, one for refreshments and the others for directors. Gail Whitman said she is paying for her own cart so it will be available for her and Harry to go back and forth from the campground. The taxi's are to take people from the parking lot to the admission gate. The taxi's do not haul parts; there are kids there with wagons who will do that. Members can call for the taxi if they need a ride.
- Vendors will have wristbands again this year. Each booth will receive two. There are different colors for Friday and Saturday. Yellow for Friday and green for Saturday. Sunday admission will again be canned food or cash donations for the food bank.
- Larry Easterly said he still needs some volunteers to help park cars and do judging during the car show on Saturday. Call him if you will be available.

Upcoming Tours--Chuck McVey:

- A tour is planned to Roy Langlitz on July 15th. There was a sign-up sheet on the front table.
- There are a couple of other tours being worked on.

2017 Flag Day Event
by John Clark

Sixteen club members and one guest participated in celebration of the 107th year of Flag Day in Fairfield on June 10th. This is the longest-running consecutive flag day event in the country.

We met at the Albertson's on Highway 27 and 32nd Avenue in Spokane Valley at 7:30 and proceeded to the annual breakfast prepared by the Fairfield Volunteer Fire Department. Early Ford V-8 parade entries were led by Banner

Following social events and vendor activities at Theil Park, the entourage departed for the anticipated annual luncheon at the Feeding Station in Tekoa. All in all, a very entertaining and comfortable--cooler temperatures and no rain--event. Looking forward to 2018!

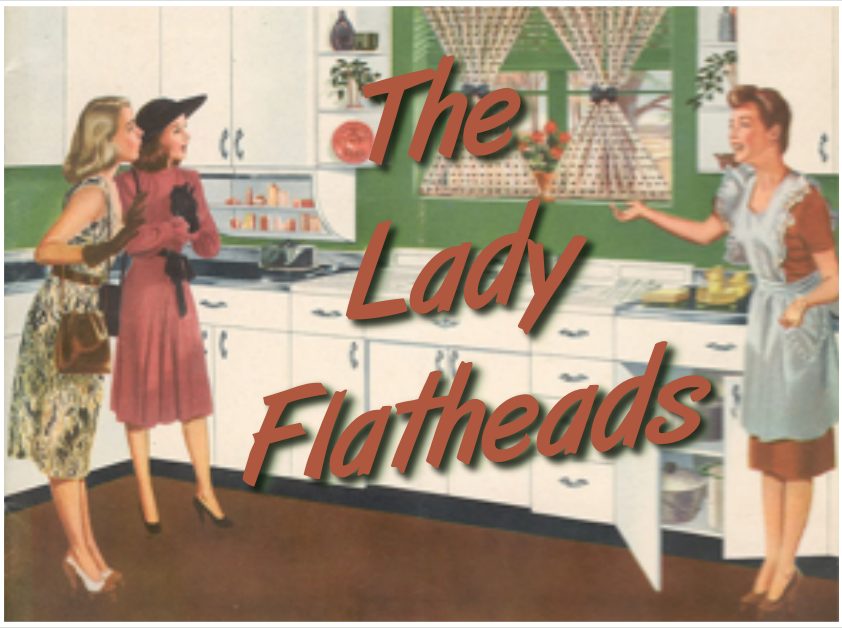
YARD WORK

Lincoln Hammons, Dr. Spruce's Lore Axe, is Dale Furnish's neighbor and comes highly recommended. He is a good family guy and has done tree removal work for him and others in the club. He does a great job at reasonable prices.



Party Fruit Kabobs

Pretty & healthy, kabobs are so easy. No recipe required! Just slice bananas, kiwi, mangos, papaya (or any fruit of your choice) and put them on skewers! Great picnic food or appetizers for a summer outdoor party. Place a can of whipped cream by the platter for extra fun!

Following its release in 1946, the bikini was initially banned in several Catholic countries.

Micha Le Bernardini shows off the first bikini, created by the fashion designer Louis Reard in 1946. The bikini was named for the Bikini Atoll in the South Pacific where the atomic bomb had been tested.

YIKES! Proof that you should not always believe what you read!
