

VOICE OF THE V8

A monthly newsletter of the Early Ford V-8 Club of the Inland Empire #23

JULY 2021

Dear Members,

First off, I want to thank the members for voting to give a scholarship to the INCCC again this year.

Great to see the young people going from high school to college. A years scholarship from car club members and donations from people in Washington and Idaho.

The swap meet went well. There were a few mess-ups that were taken care of without much trouble. The vendors were all in a GREAT mood. Some of them didn't get their usual spaces back and excepted the new spots without much fuss. If we worked with vendors, they seemed to be happy and understanding that there wasn't a swap meet last year and that there were going to be mistakes. It was hot, and again people got along very well. I talked with some first-time vendors. A couple (first timers) from Oregon, was very happy to be at the fairgrounds. They even ask if they could have the same spot for next year.

The club wants to thank Greg Hicks and Jan Farnham for the wonderful job they did for Larry and Caren Easterly. The show went very well, especially for it being their first time putting it on. Thank you both!!

I also want to thank all the club members who worked the swap meet and those who setup the vendor spaces inside and out. Also, the Model A members who put in their time doing setup and gate duty. Without everyone's help, it wouldn't have gotten done. Another thanks to the Model T members who drove their T's to the fairgrounds. Some of those T's looked pretty sharp. I sure didn't know T's had disk brakes and two speed rear-ends. New to me.

On Sunday we went around telling vendors that they could start moving out at 1:00pm, and they were happy with that. While talking with the vendors, they wanted to know if we were going to be there next year.

Every one headed to Norma and Larry's place for a party. Very good food; chicken, prime rib, and all the trimmings.

There is a BOD Meeting at Darcy's on July 22nd. The club's next meeting is on the river at the camp out, July 30th- Aug 1st.

We made it through the swap meet, let's make it through the rest of the year. Until our next meeting, everybody stay safe. Wear a mask, stay six feet apart and have Lysol handy.

Club President,
Chuck McVey

Butch Glander has talked with Joe Reger and Joe would like to see if anyone from the club would like to be on the National Board of Directors. Joe's term is expiring.

Old Business:

Swap Meet: It was noted that weather may be a factor because of the heat.

Golf carts have been located and reserved. The cost for this will be about \$3,000 which may be more than we have paid in the past.

Sign up sheets are pretty much filled in. We do need a person at the Purple gate for Saturday morning at 5:30 am.

Dale will help Kelli buy the refreshments for the cart.

The question was asked on where our pop-up tents are. Gary Davis says he has them.

Renee and JoAnn will have some PPE at each of the gates and for the admissions volunteers. There are plastic gloves, a mask and hand sanitizer.

Norma said she has sold as many spots as we had in 2019. It was decided that we will not use the floral building this year and this will help us save money. Norma said she will move the Tool Guy to the Yellow Building.

Tom Daily, Ron Little and Pat Shea will help Chuck and Doug with set up.

There was a question asked about scooter rentals at the fairgrounds. Chuck McVey said he would look into it but the carts and taxi can help get people around.

Larry & Caren Easterly are working on the car show. Greg Hicks is filling in for Larry and Jan Farnham is filling in for Caren. They will be there Thursday with all the goody bags so they can be stuffed. Greg Hicks will need some help getting them to the car show booth on Friday. Greg will also need help for tear down. We will have a DJ again this year. Trophies are ordered.

After the Swap Meet there will be a picnic at Larry and Norma Skidmore's. BYOB and food will be provided along with the water and pop that are left over.

The Model T club is having their meet in Spokane and they are expecting about 300 cars. If any of them would like to come to the swap meet on Friday we will give them a ½ price ticket and they can park in the car show area. Other Club Business:

Golden Membership

Several years ago, a new type of membership was formed to give special recognition to any V8 member that had given an extraordinary amount of service to our Inland Empire Regional Group over a minimum of 15 years. We have a criteria that has been used based on a point service for various duties and activities.

The GOLDEN MEMBERSHIP COMMITTEE is once again in the process of trying to make sure our record keeping for choosing which V8 members will be nominated for Golden Membership is up to date.

Just to make sure our records are accurate, we request that IF you are given a form to fill out stating the number of times you filled a position or

took part in specific club activities, then you take the time to do so. We know some of us have CRS disease and our memories are not the greatest. However, if you have been a member who has made significant contributions, then you will be asked to help confirm our records. Please fill out the form best to your ability and return them ASAP to either the next club meeting or mail to:

Meal Train for Pat Shea

Pat belongs to our club and is a member of the Cheney Church of the Nazarene. He was diagnosed with ALS last July and now he has lost all of his mobility. It has become increasingly difficult for his wife, Julie, to manage his care and daily life. People have been wanting to help them, so his church organized a meal train where people can sign up online to take Pat and Julie a meal.

If you are willing and able to help, follow this link: <https://www.mealtrain.com/trains/lz31zd>. There will be sign up slots, and if you click on the yellow button that says "Review All Instructions" there are meal or restaurant ideas, and information on their dietary restrictions.

If you have any questions, you can email or call Brittany Hooper, Cheney Church of the Nazarene office manager, at cheneynaz@gmail.com or (509) 235-6261 ext. 2.
