

VOICE OF THE V8

A monthly newsletter of the Early Ford V-8 Club of the Inland Empire #23

JANUARY 2026

Dear Early Ford V-8ers,

Our good January meeting gave us a nice start for the year. It got even better when several days later, we received the official notice from the IRS that the Inland Empire Regional Group #23 Early Ford V8 Club of America qualifies as a 501(c)3 tax exempt charitable corporation. It's nice to have this finally confirmed. A special thanks to Annette Long, Dale Furnish and John Clarizio whose efforts and perseverance led to this favorable result. A board meeting has been planned for January 20th.

And by the way, for those of us who missed the message to put the covers on for the winter, we have enjoyed a few nice days to get out and wave back at the thumbs up we get. Everybody loves our cars in the summer, but in the winter, after starving for a few months, they are excited to see some of us out and about again. Gets us all started on dreamin 'bout the "Summer of '26!!"

Enjoy the good days thinking about the warmer ones to come, stay warm, well and safe!
